

FILES A CLAIM FOR HIS SALARY

R. M. Jones Now Has a Lien on Jordan Narrows Plant.

NOTICE OF INTENTION FILED

Claims that the Company Failed to Settle With Him For Services as Chief Engineer.

Notice of intention to hold a lien against the Salt Lake city Water & Electrical Power company, for \$1,357.82, due as compensation for services rendered, was filed for record in the office of the county recorder today, by R. M. Jones, the well known electrician.

Mr. Jones' demand is based on services rendered the Jordan Narrows company as chief engineer and superintendent of the construction and erection of the company's electrical power and generating plant.

The terms of Mr. Jones' employment, was, he says, that he should receive five per cent of the construction cost.

The plant cost \$214,471.28, which would give him \$10,723.56. On July 1st, 1899, it was agreed between claimant and the power company that his compensation should be three per cent of the construction cost.

Since that time the cost figured up to another \$38,400, making Jones' compensation \$1,357.82, a total of \$12,081.38. All that has been received, he says, is \$1,152.51, and he now seeks to recover the balance with interest.

Mr. Jones claims a lien not only upon the buildings of superintendence, but also upon the land, upon which the same is located, machinery, appliances and works, the company's franchises, telephone lines, poles, etc., water rights to the Jordan river and Utah Lake and a number of water appropriations.

LOAFING AND BAD FALLS LAST NIGHT

Yee Wing Choy Again Appears on the Saucer.

RIDERS PAINFULLY INJURED

Chapman and Turville Got the Worst of an Unfortunate Mix-up—Green Wins a Race.

Last evening's bicycle racing was characterized by loafing, bad falls and the reappearance of Yee Wing Choy, champion Mongolian bicycle rider of the famous Plum Alley. The crowd numbered about 2,500 and did not grow weary although the program was unusually long and made more so by the snail-like riding of some of the alleged local professionals, whose wheel did anything but benefit the Salt Palace races.

The evening was one of spills. Just before the program opened Lawrence Deck had a serious fall in front of the grand stand. Some of the riders ran him down the track and his pedal struck the boards. His wheel was ruined, but he escaped with a small scratch. In the first heat of the 1/4-mile professional, Barzior took a sleighride and smashed his wheel. He was also fortunate in escaping without injury.

The most serious mix-up of the evening was in the final of the 1/4-mile professional in which John M. Chapman and Clem Turville received serious injuries. The two qualified heats in this race were carried off by O. E. Emery in 1:41.5 and Johnny Chapman in 1:28 flat. The fall referred to occurred in the home stretch of the final.

Chapman and Turville, who were coming in under full head of steam, Chapman was gradually gaining ground when Vaughan ran past Lawson on the bank and then rubbed time with Turville and threw him into Chapman. Both riders fell hard and Emery ran over Chapman, his wheel striking the Atlanta boy a hard blow in the right side.

Chapman's injuries consist of a bruised side and a pedal cut on the right leg and about a dozen ugly scratches on the arms. Turville had a tooth extracted and was also badly cut up. The race finished with Gust Lawson first, Vaughan second, Chapman and Emery seized their wheels and ran over the tape amid prolonged applause and received third and fourth places respectively. Yee Wing Choy, the "fox" of the track failed to qualify in the 1/4-mile open amateur. The Chinaman was afraid of repeating his performance of Tuesday night and kept at a safe distance from the other riders.

Bob Williams won the first heat of this race in 1:38 3/4. Jack Burris showed up strong in the final and captured the race in 1:48 3/4. The one-mile handicap professional was held in by Gust Lawson in 2:11 1/4 with Gunn second and Green third.

The one-mile tandem handicap amateur was a very pretty race and was won by the hard sprinting of Little Edith Smith and Jake Hirsch the new man from California. They had sixty-five yards and finished in 1:56 3/4, with Burris and King second and the Samuels third.

Ben Green won the final of the last race, the half-mile local professional handicap, time 1:00 3/4.

Summaries:

Three-quarter-mile professional—Gust Lawson first, W. B. Vaughan second, Chapman third, Emery fourth. Time—1:43 1/4.

Three-quarter-mile open amateur—John Burris first, Edith Smith second, W. E. King third. Time—1:46 3/4.

One-mile handicap professional—Gust Lawson, 40 yards, first; F. Gunn, 50 yards, second; C. E. May, 75 yards, third. Time—2:11 1/4.

One-mile tandem handicap amateur—Jake Hirsch and Edith Smith, 65 yards, first; J. Burris and William King, 60 yards, second; T. M. and W. E. Samuelson, scratch, third.

One-half-mile local professional—Ben Green, 45 yards, first; A. W. Caine, Jr., 55 yards, second; C. R. Brazier, 50 yards, third.
